

*The Spiritual Significance Of Music*

# DIVINE HERETIC

DAVID JONES

Music provokes many things from the hearts of man, and can be negative or positive depending on the motive behind it. In my mind, all music was meant for the worship and glory of God, and it seems it is here as well for the entertainment, or sometimes the edification of man. Living Sacrifice's *"Inhabit"* is pretty much the reason I picked up the guitar, and I have worshipped loud, with conviction, and have been blessed! God gave us all gifts, it is up to us to allow the significance of these gifts to go towards the praise of God! *"For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms"* [Ephesians 6:12].
